

ENGAGING 800 PLANT IT

# HOW IT WORKS

## STEP 1

Contact us with an inquiry.

## STEP 2

Send us examples of what inspires you.

## STEP 3

Let's discuss!

## STEP 4

Define the budget.

## STEP 5

Live plants are chosen from our pristine greenhouses, delivered in climate-controlled vehicles.

## STEP 6

Planters and other accents are chosen from our ample selection.

## STEP 7

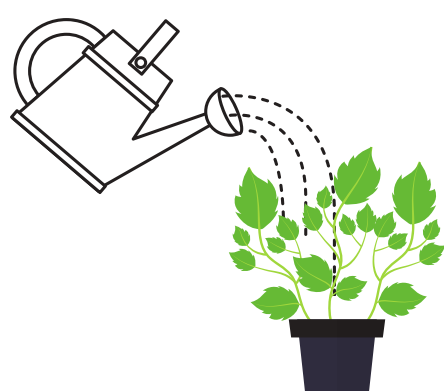

24/7 communication, as we prepare to install your project.

## STEP 8

Installation, as we pay attention to even the tiniest detail (everyone has a best side... so do plants!).

## STEP 9

Watering and maintenance (it's included!)

## STEP 10

The show must go on. We break down and leave the area spotless.
